MISSIONARY PLAN FOR 2023/2024 ACADEMIC YEAR

VISION:

Our vision is to make the GNAAS the most Vibrant Denomination on campus and to gain recognition by the entire school Community.

MISSION:

Make disciples of Jesus Christ by building positive relationship with other students and the staff (teachers, gatemen, etc.) so as to bring them to Jesus Christ.

SOUL WINNING GOAL:

Our goal is to double our membership through all means possible under the inspiration of the Holy Spirit of God.

METHODS:

1. GET BASIC ITEMS FOR THE FELLOWSHIP:

To be able to enjoy quality experience, the fellowship seeks to acquire basic items such as tablecloth, flowers, hymn books, Sabbath school study guides, musical instruments, and banner.

2. BUILD POSITIVE RELATIONSHIP WITH STUDENTS AND STAFF:

The fellowship plans to have strong interpersonal relationship with other roommates, course mates, gatemen, teachers, and other workers so as to make it very easy to invite them to service and to obtain support from them when the need arise.

We will also invite other denominations on campus to some of our programs to build relationship with them.

3. CONSTANTLY INVITE FRIENDS TO SERVICE:

The best weapon GNAAS will employ to double our membership is to invite our friends to church every Sabbath. Sometimes, gift will be made available for first time visitors to excite them to honor our invitation the next time.

4. PROPER RETENTION PLAN:

The fellowship has a record system of all members and visitors that make it to church. We will deliberate put measures in place to visit members who absent themselves from service as well as friends who visit us at church so that no soul will be lost.

5. INITIATE INTERACTIVE PROGRAMS:

GNAAS ADONSCO plans to have programs like Get-together, Gift Sabbath, Literature Evangelism, GNAAS CHOIR singing at Sunday Service, Courses in Tertiary and their Cut-Off Points and Tertiary to attract new members to visit the GNAAS Fellowship.

6. ACQUIRE FUNDS:

Funds is needed to run the fellowship and members will be motivated to support the fellowship by paying semester dues, sending envelopes to the house during vacation to seek for sponsorship to help the fellowship on campus.

7. GAIN RECOGNITION FROM THE SCHOOL COMMUNITY:

The fellowship seeks to collaborate with Presbyterian Women College of Education (PWCE) to organize clean up exercise, present **THANK YOU CARDS** to headmaster, School Chaplain, Senior House Masters/Mistress, Dining Hall masters, Security men and other people just to sell the GNAAS Fellowship to them.

We also have in our plans to do projects like buying items we will identify as being what the school need for the school to gain **good name** for the **GNAAS**, some of these items includes Microphone, Dustbins, Notice Board, Tissues for Staff Common Room Members.
